Code

- APPS ( ) .

```html
<head>
    <script>
        $( document ).ready(function(){

            $('#codeCopy').click(function(){

                $('#RssCode').select()
                document.execCommand("copy");
                alert("imgSrc Code          .");
            });

            $('#onerrorCopy').click(function(){

                $('#onerror').select()
                document.execCommand("copy");
                alert("onerror           .");
            });

        });

    </script>
</head>
<body>
    <div class="card card-success">
        <form>
            <div style="float:right; padding-right:20px;">
                <input type="text" size="50" id="onerror" name="onerror"
value=" onerror='this.style.display='none''">
                <button type="button" class="btn btn-success"
id="onerrorCopy">Copy</button>
                <input type="text" size="50" id="RssCode" name="RssCode"
value="imgSrc =
'http://apps.repia.com/rem/insertRem.do?remErrorCode='+code;">
                <button type="button" class="btn btn-success"
id="codeCopy">copy</button>
```
