				URL
3	 <h3>Organizational Chart</h3> <p>A hierarchical organizational chart starting with a red box at the top labeled "Texts here". It branches into two blue boxes, which each branch into two orange boxes. The orange boxes further branch into blue boxes, which then branch into grey boxes at the bottom level.</p>	Org Chart()		
4	 <h3>Swimlane Diagram</h3> <p>A swimlane diagram with five vertical lanes: Human Resources, Employee, Manager, Payroll, and Payroll Center. The process flow starts in Human Resources with "Request Entry" and "Complete Entry New Employee HR". It moves to Employee for "New Payroll Entry" and "Change Center HR & New Salary Report". The Manager lane includes "Review & Approve" and "Approval/Review". The Payroll lane contains "Review Completion", "HR Employee Request", "Request Employee Information Report", "Has Time off?", "Contact Employee", "Review for Data Processing", and "Send Data to Payroll Processor". The Payroll Center lane includes "Data Approved?", "Correct Error", and "Review Reports".</p>	Swimlane Diagram()		
5	 <h3>Order System ER Diagram</h3> <p>An Entity Relationship Diagram for an Order System. Entities include Customer, Order, Product, Supplier, and Employee. Each entity is represented by a rectangle with its attributes listed inside. Relationships are shown as lines connecting the entities, with crow's foot notation symbols at the ends. For example, Customer is connected to Order, Order to Product, Product to Supplier, and Employee to Order.</p>	Entity Relationship Diagram(ERD)
